CONTINENTAL AIRLINES FLEET SERVICE WORKERS LAUNCH ORGANIZING CAMPAIGN WEB SITE

The Latest Information Available at www.calfleetserviceteamsters.com

(Washington, D.C.) – As fleet service workers at Continental Airlines (CAL), we recognize that we can finally win a strong voice and our union because of the Teamster difference. To help us on our way to victory, we have launched a new web site, www.calfleetserviceteamsters.com

The time is now for us, the nearly 8,000 CAL fleet service workers, to form a union like our coworkers have—the mechanics, pilots and flight attendants at CAL. We have formed our Organizing Committee, "CAL Teamsters Committee for Victory." About 3,600 mechanics at CAL have improved their lives as Teamsters and endorsed our campaign. We deserve the same strength as the CAL mechanics. By joining the Teamsters, we will be stronger together.

The Teamster difference is simple: With the Teamsters, We Can and Will Win.

In the past, we have made attempts to form a union, but they fell short. But this time, as we form our union with the Teamsters, it is a very different because the Teamsters have the ability, resources and capacity to WIN a union election. In fact, we believe that the only way we can win an election is by working with the Teamsters.

The new web site is our hub for us to get campaign news and updates, and will contain support statements from our coworkers.

Also, to get involved in the campaign, you may leave a message on the campaign's toll-free hotline, (866) 832-6787.

Founded in 1903, the Teamsters Union represents more than 1.4 million hardworking men and women in the United States, Canada and Puerto Rico.
