

Continental Airlines Negotiations Update

February 7, 2009

The negotiation committee met with the company in Houston on January 28 and 29, 2009, to continue working toward a tentative Agreement.

The company responded to our initial proposal by adding Article 4 - Seniority to the counter proposals we have on the table. We are continuing our discussions on Articles 2- Definitions and 3 - Covered crafts, classifications, and bid areas. The Union is reviewing the information we previously requested from the company and that has since been provided. We will examine the information for accuracy. We are scheduled to meet in Los Angeles on February 24, 25, and 26, 2009.
